**DETAILED ACTION**

The text of those sections of Title 35, U.S. Code not included in this action can be found in a prior Office action.

Claim 16 IS withdrawn from further consideration pursuant to 37 CFR 1.142(b), as being drawn to a nonelected species, there being no allowable generic or linking claim. Applicant timely traversed the restriction (election) requirement in the reply filed on 11/06/06.

***Claim Rejections - 35 USC § 102***

Claim 1-4, 12-15, and 32 stand rejected under 35 U.S.C. 102(a& e) as being anticipated by PEARLMAN 6303581

***Response to Arguments***

Applicant's arguments filed 8/06/08 have been fully considered but they are not persuasive. Arguments are that PEARLMAN suggests, does not declare or show, death by a multitude of esters. Examiner finds neither does applicant. We are told, but not shown, the multitude of esters kill any ectoparasite at 10%. Only IPM was so shown-for lice.

Claims 8-11, 19-22 are objected to as being dependent upon a rejected base claim, but would be allowable if rewritten in independent form including all of the limitations of the base claim and any intervening claims.

.

**THIS ACTION IS MADE FINAL.** Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory

In no event, however, will the statutory period for reply expire later than SIX MONTHS from the mailing date of this final action.
